VOTE

JOHNNY WILKINSON

YOUR REPUBLICAN CANDIDATE
FOR STEPHENS COUNTY
COMMISSIONER DIST #2

I am a lifelong resident of Stephens County and have had the pleasure of serving Stephens County in several capacities for 25 years. My experience is vast as I have 17.5 years as a county road and bridge employee and 7 years as a road supervisor. Additionally, I have completed 60 hours of the county training program. To highlight a few: Excise Training, Budget Process, Purchasing, and Understanding the Whole of County Government.

I have a strong interest and desire for public service, especially toward my fellow residents. I believe that my years of experience and work within the County Training Program have given me the skills necessary to serve this office and the public well. I promise to be approachable and attentive to the needs and concerns of the residents of Stephens County. I vow to be a team player and look forward to working with other elected officials and employees at the courthouse.

I will work side by side with my fellow employees at District #2 and I am confident that such collaboration, along with my experience, knowledge, and work ethic will make a noticeable difference in the county in a short time. As a public servant, I want to use my years of experience and knowledge to do just that: Serve the residents of Stephens County. I have worked with many of you over the years to help resolve your issues and hope that you will allow me to continue to serve you. I am passionate about this position and look forward to discussing it and my qualifications with you all.

I would appreciate your VOTE on June 30, 2020. Thank You.
