## Cotton Electric Charitable Foundation

That bright light in the background is the result of a project partially funded by a Cotton Electric Charitable Foundation grant. Waurika Youth, Inc. played its first set of games under new lights on April 22, 2019, about 4 years after the project began. J.K. Townsend guided the effort to replace a lighting system that dated back to the 1980s.

Completion of the project demonstrates Concern for Community, a cooperative principle: Carter Waid, left, and Ronnie Bohot represent the CECF board that issued the grant in 2017.

Jarrood Hooper, a Cotton Electric journeyman lineman, located and arranged for the 70-foot poles to be donated to the project in 2018. Our power supplier, Western Farmers, helped set the poles later that year. All were invited for a big thank you before teams from Waurika and Temple heard that familiar call: **PLAY BALL!**
