Is Your Water Safe?

Give Your Back a Break...Stop Adding Salt to Your Softener
Minerals in your water form scale deposits that build up inside your pipes, water heater, shower heads, and other water using equipment like cholesterol in your arteries. These deposits significantly decrease the efficiency of your plumbing systems. Drinking water and icemakers are also negatively affected, as are health quality of water and taste. Hard water is not safe for you, your family or your home.

- Benefits of a No-Salt Water Conditioning System:**
- ▣ Maintain healthy calcium & magnesium levels
 - ▣ No sodium added to water
 - ▣ No waste water vs. up to 10,000 gallons per year with salt softeners
 - ▣ No environmental discharge of salt or chemicals
 - ▣ Reduces iron staining
 - ▣ Extends appliance life by 50% or more
 - ▣ Descales inside of pipes & water heater
 - ▣ Cleaner bodies, clothes, and dishes
 - ▣ 25% or more reduced detergent use
 - ▣ Clothing will last longer
 - ▣ Cleaner more refreshing water
 - ▣ Improves water heater efficiency and thus lowers energy bills

Area students place in Ag Day poster contest

Five students at schools throughout the Cotton Electric service territory are placers in their grades in the 2021 Ag Day Poster Contest. They were among 1,500 students from across the state participating in the annual contest.

This year's theme for the contest was #AgDoesntStop, a hashtag coined by Secretary of Agriculture Blayne Arthur in early 2020 as the pandemic began to devastate the agriculture industry in Oklahoma.

First-Third place students were recognized at their schools by state Ag in the Classroom Coordinators. Each received a framed version of their art-

work, a medal and gift card sponsored by the Oklahoma Beef Council, and citations from their legislators.

Area students who placed include:

- Kindergarten - 1st Place: Kasen Flood, Elgin Elementary School
- First Grade - 2nd Place: Zander Vargas, Elgin Lower Elementary
- Second Grade - 1st Place: Emma Wendt, Comanche Elementary
- Eighth Grade - 2nd Place: Peyton Perry, Central High, Marlow
- Tenth Grade - 2nd Place: Caden Covington, Central High, Marlow
