Is Your Water Safe?

Give Your Back a Break...Stop Adding Salt to Your Softener

Minerals in your water form scale deposits that build up inside your pipes, water heater, shower heads, and other water using equipment like cholesterol in your arteries. These deposits significantly decrease the efficiency of your plumbing systems. Drinking water and icemakers are also negatively affected, as are health quality of water and taste. Hard water is not safe for you, your family or your home.

Benefits of a No-Salt Water Conditioning System:

- ▮ Maintain healthy calcium & magnesium levels
- ▮ No sodium added to water
- ▮ No waste water vs. up to 10,000 gallons per year with salt softeners
- ▮ No environmental discharge of salt or chemicals
- ▮ Reduces iron staining
- ▮ Improves water heater efficiency and thus lowers energy bills

COPPER THEFT isn't just a felony ...

"Copper stealing, removing, or aiding in copper theft is a felony met with certain penalties. Any person who shall receive, transport, or possess in this state stolen copper wire, copper cable, or copper tubing under such circumstances that he knew or should have known that the same was stolen shall upon conviction thereof be guilty of a felony and shall be confined in the State Penitentiary for a term of not less than one year nor more than five years, or shall be confined in the county jail for not less than ninety days nor more than two hundred days, or shall be fined not less than \$100.00 nor more than \$500.00, or both such fine and imprisonment."

Okla. Statute Title 21§1727

... it's deadly.

Copper thieves can pay a very high price for trying to steal a few dollars worth of metal. Contact with high-voltage electrical current results in severe injury, possibly death.

It just isn't worth it.

Please call your county sheriff if you see any suspicious activity around co-op equipment.

Rural Electric Youth Tour is about high school juniors seeing great places all around Washington, D.C. It is also about forming new friendships and learning about new people. The top four photos, clockwise from top right, feature Rachel Simon of Walters, Hanna Stanton of Lawton, Amber Powers of Loco, and Abby Wilcox of Geronimo and some of their new friends. The bottom photo is the group of 69 teens clustered around Oklahoma's 2nd District Rep. Markwayne Mullin as he leads them on a private tour of the Capitol.
