# UNCOMFORTABLE?

Does your home have any of these symptoms?

- Rooms that get too hot or too cold?
- High utility bills?
- Thermostat wars with your spouse?
- High humidity in summer?
- House just never seems comfortable?
- There doesn't seem to be enough airflow?
- Dust buildup within 2 days of dusting?
- Problems with your system since it's been installed?
- Anyone with allergies or asthma?
- AC starts and stops frequently or runs all the time, and house is still not cool?

Have been told by other contractors that the problem cannot be fixed?

If you answered **YES** to any of these questions, we can help!

Pippin Brothers has specialists that can pinpoint and correct these problems and, in many cases, you don't even have to replace your equipment, with the solution usually being easier and costing a lot less than you may think. There is no other contractor in Lawton more qualified than Pippin Brothers at diagnosing and correcting these annoying, inconvenient, unhealthy, comfort-compromising and energy-wasting concerns. Call us today and let us make your home **Feel As Good As It Looks!** After all, your home is your largest investment and you and your family deserve to be comfortable - don't you?

**Is Your Water Safe?**

**Give Your Back a Break...Stop Adding Salt to Your Softener**  
Minerals in your water form scale deposits that build up inside your pipes, water heater, shower heads, and other water using equipment like cholesterol in your arteries. These deposits significantly decrease the efficiency of your plumbing systems. Drinking water and icemakers are also negatively affected, as are health quality of water and taste. Hard water is not safe for you, your family or your home.

**Benefits of a No-Salt Water Conditioning System:**

- ▯ Maintain healthy calcium & magnesium levels
- ▯ No sodium added to water
- ▯ No waste water vs. up to 10,000 gallons per year with salt softeners
- ▯ No environmental discharge of salt or chemicals
- ▯ Reduces iron staining
- ▯ Extends appliance life by 50% or more
- ▯ Descales inside of pipes & water heater
- ▯ Cleaner bodies, clothes, and dishes
- ▯ 25% or more reduced detergent use
- ▯ Clothing will last longer
- ▯ Cleaner more refreshing water
- ▯ Improves water heater efficiency and thus lowers energy bills

# VOTE MIKE WOODS

## "New Leadership & A Fresh Voice" Cotton County Commissioner Dist. 1

Mike has been a lifelong resident and business owner in Cotton County. Mike and his wife Tammy of 29 years make their family home in the Emmerson area, 9 miles west of Walters. Mike and his family are the owners and operators of a cow and calf operation. Tammy is also a 6th grade teacher at Grandfield Public Schools. Mike and his family are members of the First Baptist Church of Walters.

Over the years Mike also has been a heavy machinery operator for Cotton County, owner and operator of a local convenience store, and assisted numerous local farmers and ranchers with their day to day operations. Mike has been a longtime member of the Walters Chamber of Commerce where in 2007 he was named "Walters Citizen of the year." Board member of Walters Round up Club for 15 years and served as a Cotton County Reserve Deputy Sheriff for 5 years.

We as a County continue to struggle with all aspects of economic development, education, and crime. We as local leaders must commit to working together to overcome those challenges. I will work closely with local, State, Tribal, and Federal agencies searching for available grants, rural county approbations and tax based reimbursement formulas. I will work hard to stay on top of providing safe roads and intersections throughout the entire district. Not only will I be a fresh voice for the County I will also be a listening ear of your concerns.

I would like to ask for your vote on November 6th for new leadership.

Sincerely  
Mike Woods
